

# GRADY VS

— LOCAL SINCE 2009 —

**PARTY PICK-UP**

*Let us do the Cooking!*

# WELCOME TO

# GV'S

## AS YOU MAY HAVE NOTICED, WE'VE CHANGED!

Our goal with the new Grady V's is to return to our local roots and provide a more relaxed and casual dining experience for our guests. But while the atmosphere has changed, our delicious food has not! Chef Brent Daigle is proud to offer the same quality Gulf Coast-caught seafood and house-smoked meats you've known & loved since we first opened our doors in 2009.

We hope you'll continue to enjoy your old favorites (and find new ones) in this reimagined space meant to celebrate and reflect our love for our local area and community.

## What's New?

### GREAT NEW MENU ITEMS

Chef Brent has been hard at work perfecting the newest additions to our menu! Stop in to try the shareable Boucherie Plate, the innovative Cajun Redfish Pirogue, or the scrumptious Seafood Eggplant Dressing, just to name a few! And rest assured that your beloved favorites like the Grady V's House Angus Burger and the Brisket Nachos are still here for you whenever you need them!

### THE BACK PORCH

While visiting, make sure to step onto the Back Porch, our newly built deck where you can enjoy outdoor dining and our new Bar Menu with views of the beautiful Bayou Country Club. The Back Porch is also where we'll be hosting live music, so be sure to keep up on social media to know when your favorite local artists are here to perform.
